Spirit Is Our mOTTO

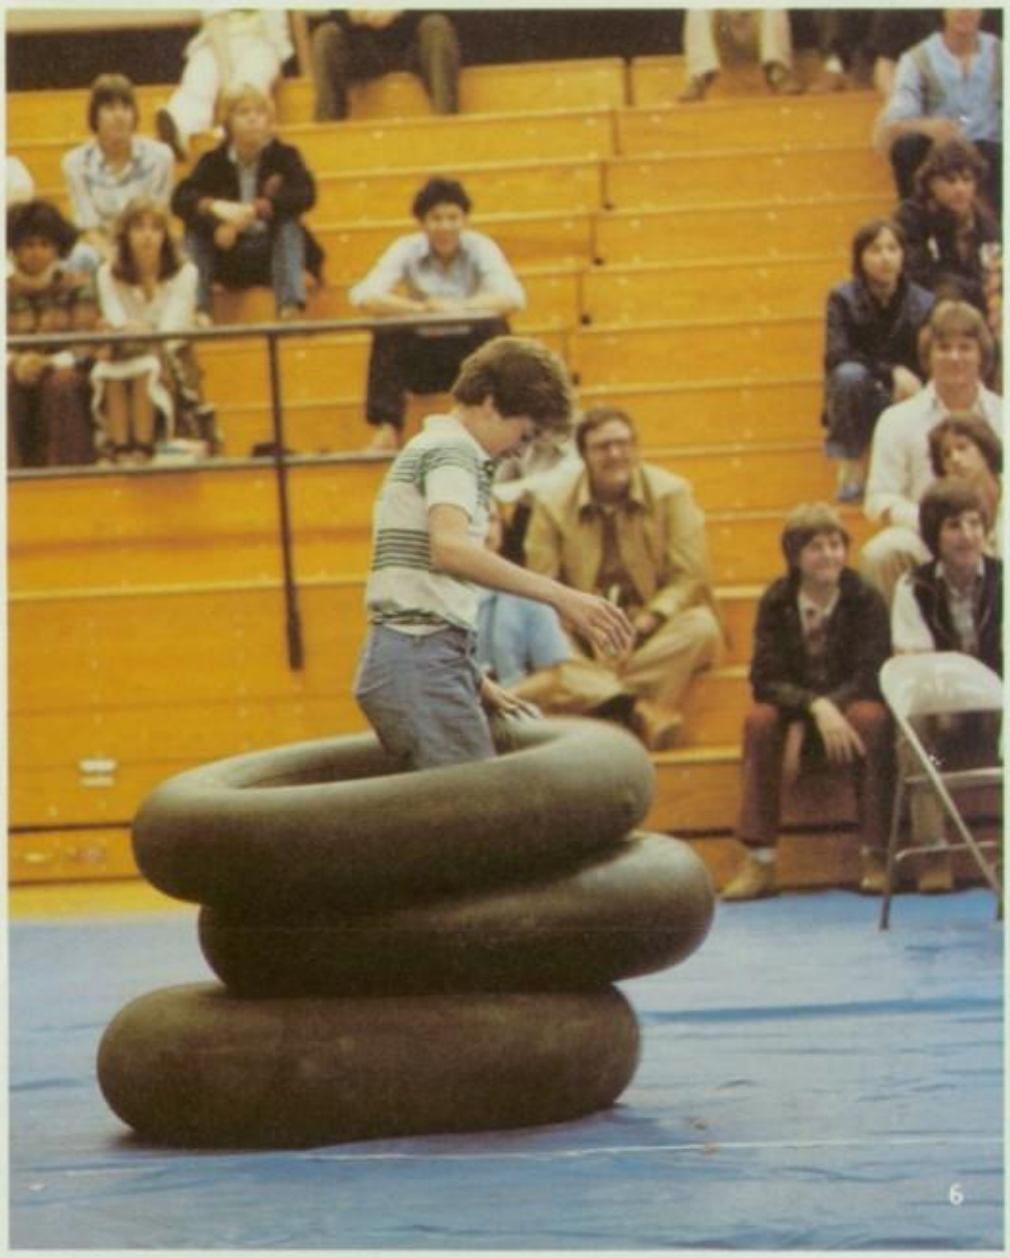
What a week! Friendship, happiness, getting to know one another, involvement and socializing . . . all these add up to SPIRIT!

Spirit Week is full of all these qualities—skating party, . . . roller skates, falling down and trying again; Spirit Mass, . . . slide shows and seeing yourself on the screen; and Frosh Initiation . . . Ku Klux Kourt, pleas of innocence, verdicts of guilty— who really is the coolest?

Fifties Day fills the halls with bobby socks, leather jackets, Pink Ladies, Buddy Holly, Togas, bubble-gum and rolled T-shirts! "Greased Lightening" and Dixie Clark with her American Bandstand. Can you believe J.F.K.'s own Paul and Paula?

Sore feet and wet seats at the Puyallup Fair . . . try one more time for a stuffed animal! Oh well, just settle for cotton candy.

A winning football game over Kent Meridian completes this week of SPIRIT! MV



We've Got The Spirit . . . Weeeee Do!

A feeling that each student brings to school on September 3 . . . a spirit of fun, unity, sharing! The halls echo with it . . . sporting events, Chocolate Sale, Homecoming, assemblies, activities . . . a sense of belonging in which J.F.K. students believe—a spirit that continues throughout the year . . . and finally . . . June 2 . . . the doors and gates may be locked but that true "LANCER SPIRIT" will be back again next year! CP

1978 Homecoming—"How Deep Is Your Love?"

"Go ahead ask her now before she leaves!" Homecoming 1978 begins with great anticipation . . . Rumors of who is asking whom? Will she go? Will he ask her? The school is buzzing with excitement.

The Octoberfest arrives bringing its international "FLAVOR" to all. The Homecoming Mass reflects the unity of the student body—past, present and future. As the game and dance creep up, the nervous Frosh, shy Sophomores, over-confident Juniors and EASY GOING Seniors all make plans for the BIG evening! 7:30 p.m. . . . the kick off . . . the Lancers lose a close game to the Renton Indians—7 to 9! But onward to dance, dance, dance the night away to the sounds of Elbowed Out with Storm Caley reigning as the 1978 Homecoming Queen. MG and JD

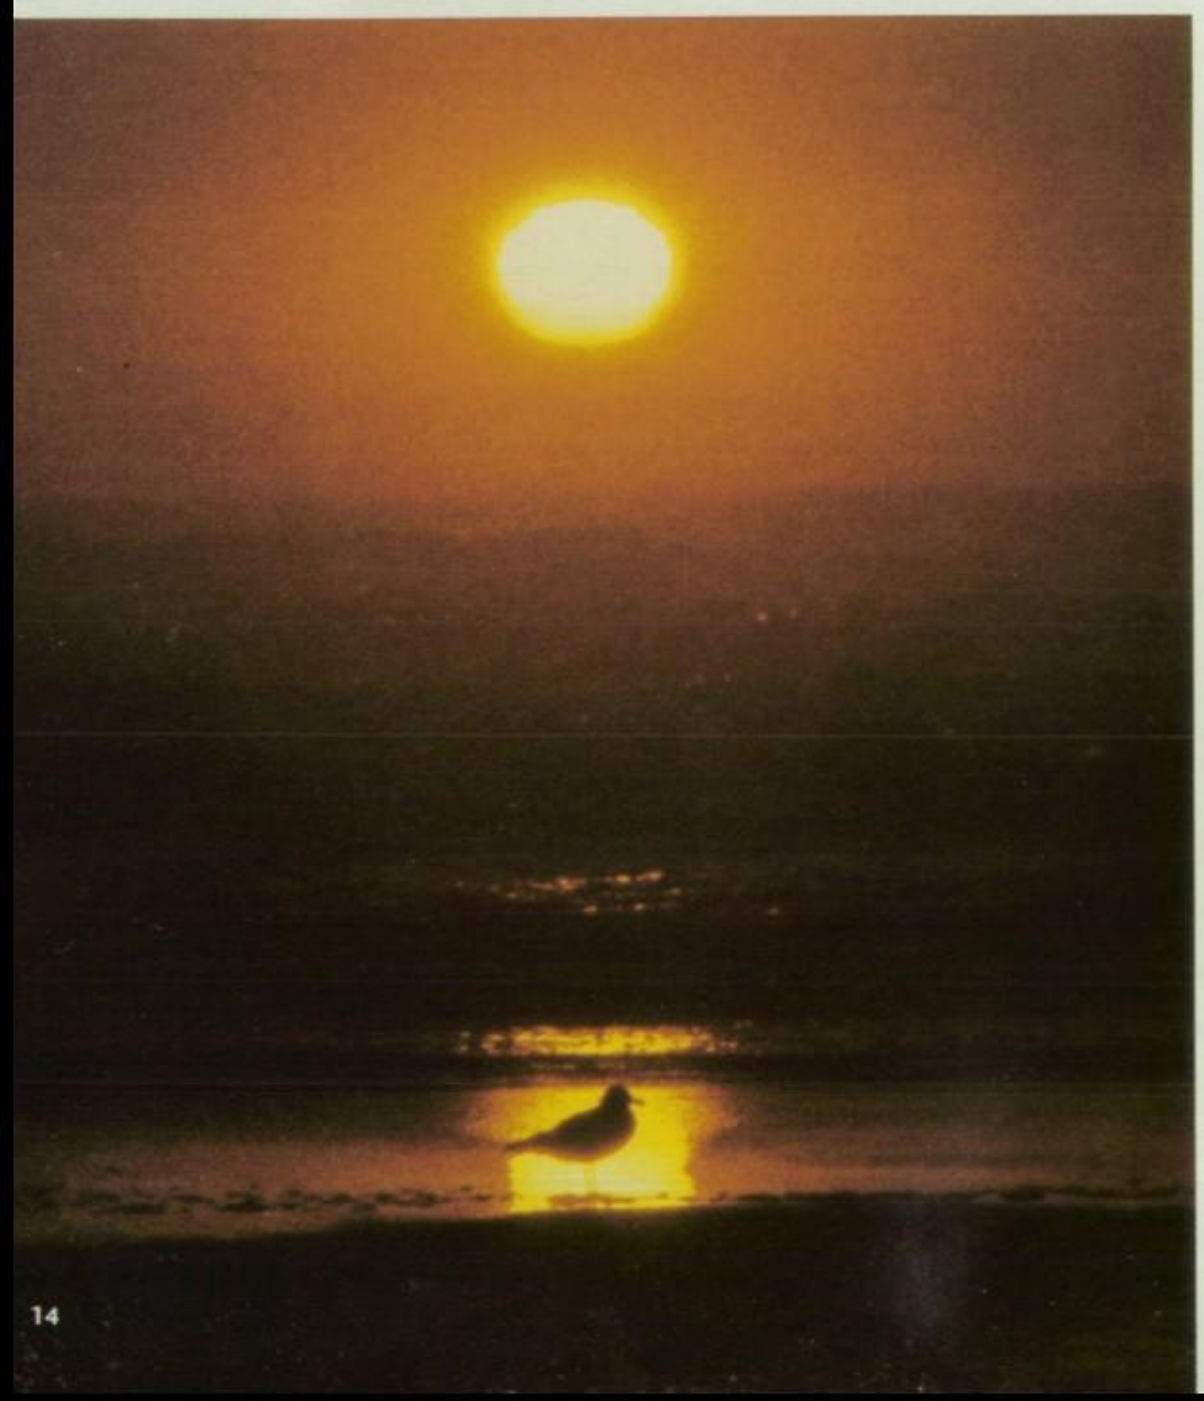
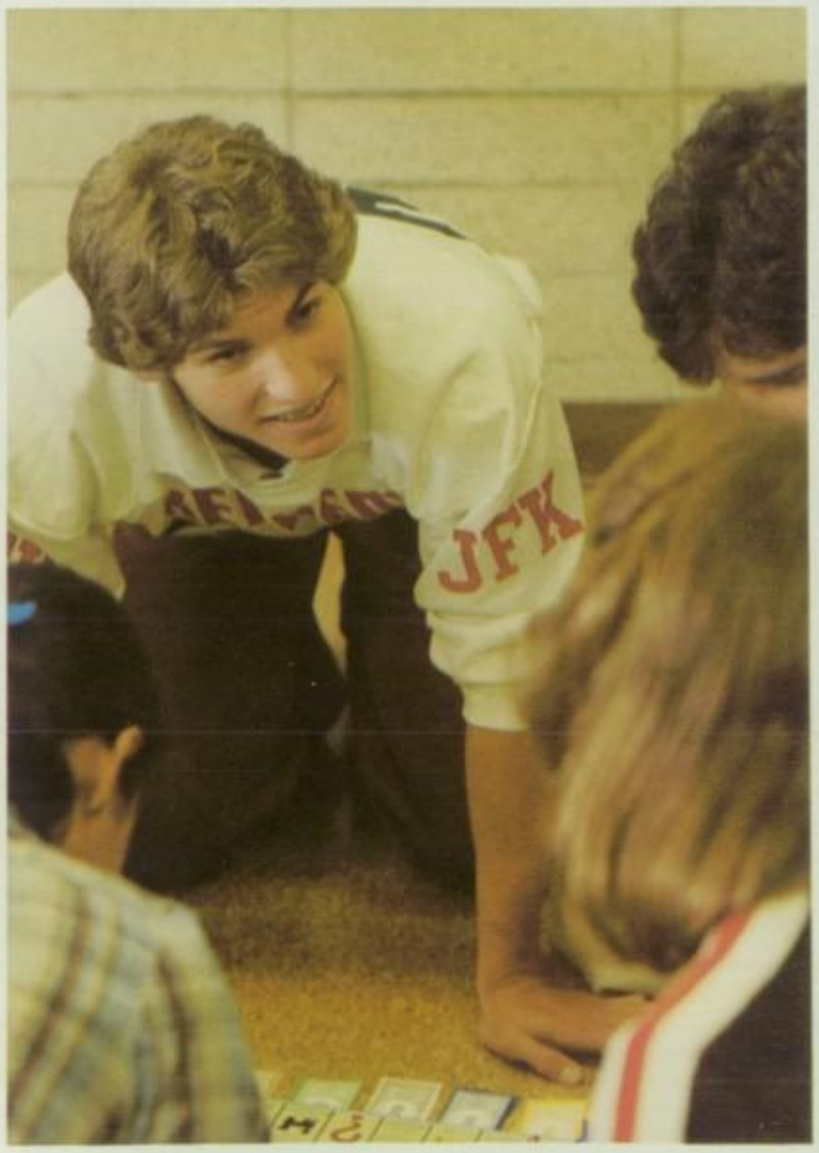
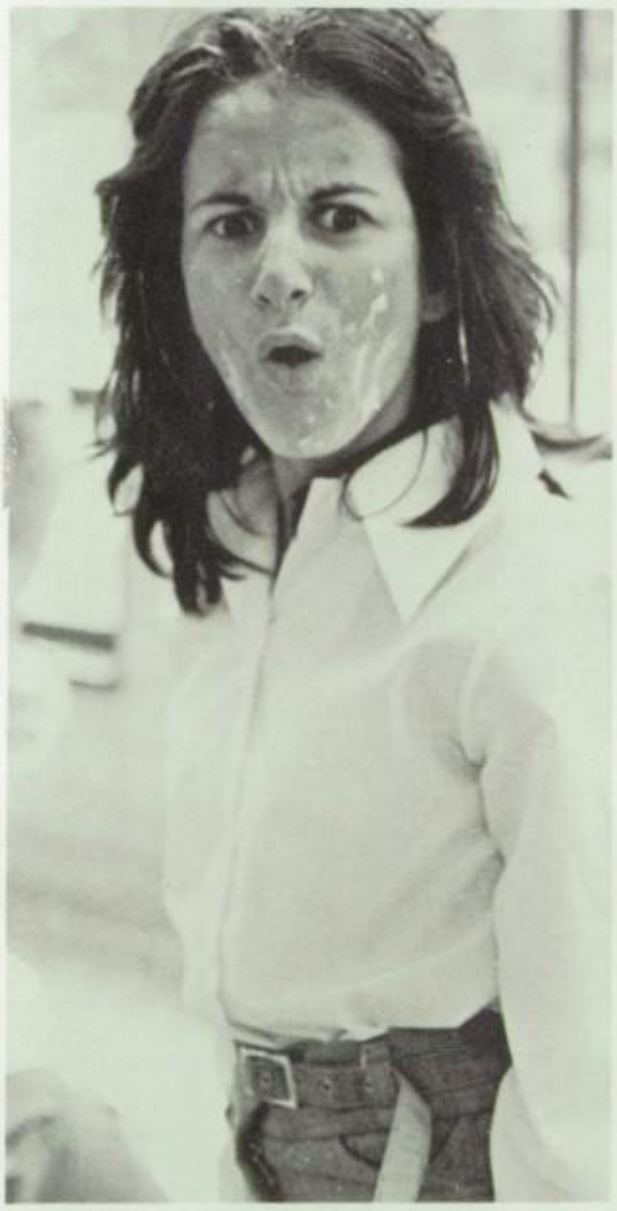
It's Time For The Mighty Class Of 1979

Four fun-filled years later . . . the Freshmen of 1975 are now the Seniors of 1979! The Senior class started off 1975 with SPIRIT . . . Frosh Initiation marked the beginning of four years at Kennedy. The spirit of the class grew . . . leadership was always important to this group . . . growing more and more each year . . . until as Seniors, they became the MIGHTY ONES in the school!





JFK



Graduation is a long, anticipated wait from Freshman year . . . four years which seemed endless passed by in seconds. It was an event looked forward to by Freshmen in 1975 and a goal reached by the Seniors of 1979!

Zest, ingenuity, leadership and pride—the changing moods of the tenth graduating class at Kennedy. LS

IMAGO Is "Write" On Time For 1978-1979!

The 1978-1979 IMAGO presents one of the "best years of your life" ... an expanded book, a bigger color section ... more pages, Senior Hall of Fame ... an index, the TERRIFIC cover ... "Time" as the theme!

Cropping and filing photos ... casuals and captions. "Hey, help me think of a headline!" Pica rulers and grease pencils ... layouts ... 3-R forms! Remember drawing up the mug section? Advisor Ms. JoAnne Bubacz works alongside the editors and staff.

Students and spirit ... the IMAGO saves those scrapbook memories year after year after year after ... ! CK

Sharing Is A Special Time For Lancer Caring

Students at J.F.K. have special ways and days to give a little of their Lancer Spirit to others. SKY—Special Kiwanis Youth—with Kim Glenzer as President and Sr. Elizabeth Pleas as advisor, plan activities to share their time with handicapped people.

Blood drives ... Hey! That's sharing "a little of yourself!" Food drive at Christmas-time ... having a merrier Christmas knowing that you can help someone!

Togetherness and caring ... feeling that we try to share always ... The Lancer Spirit way! CK

"don't go tooDical Dawn Zucchini

Ken,
This year has been a good one, and I am looking forward to next year. This summer you might see me surfin' the stonework on my board and getting Rad-D-Ryl-Mor. Rest your brain this summer and keep up sports like broad jumping - I beat Perdomo in a dark alley) Next year we rule the school, and sweet it will be! Have a fuckin' good summer - Joe Rile

Ken!
Have a good
Summer!
Peter

Ken,
Great to have
you in PE / Geometry
and (some) Religion classes.
You're not
the type to make
trouble and I like
well in school and someday you'll be making
me smile ☺ when I get your fair pic in my
office of Seattle Times (Editor of the Seahawks)
